

**EXPANDED LEARNING TIME
STEERING COMMITTEE MEETING
June 6, 2007**

Attending: Hal Martin, Tom Nadolny, Janice Doppler, Todd Gazda, Dave Hopson, Ginny Maxwell, Cheryl Hopson, Wendy Long

1. We conducted a critical review of the presentation materials for June 20th.
2. Each level committee should have a sample schedule to present at the 6/20 meeting. On the Mass 2020 site, several schools show the current schedule next to the proposed new schedule, juxtaposed side-by-side.
3. Parents do not want to hear that this is about MCAS or this is tacking on more time to do the same things we've always done.
4. Next Meeting: We have to change the June 25th meeting as several members want to support the band at a fundraiser that night. We will try to convene immediately following the June 20 meeting.
