# Summer Film Camp

Are you an aspiring Steven Spielberg or do you just want to learn more about making movies – if so come to film camp! This 2-week adventure will introduce you to iMovie video editing software. Students will create Public Service Videos for the Southern Hilltowns Domestic Violence Task Force. Students will be introduced to the following topics: script writing, still and video camera shooting techniques, music creation, movie editing and more. The camp will culminate with a Film Festival on Thursday, July 23 at 6:00 pm where we will showcase all of the movies that were created during the 2 weeks of camp. All participants must attend both weeks – these are not 2 separate sessions.

**When: July 6-9 and July 20-23**

**Time: 8:30 am – 12:30 pm**
