### **Guidelines for Behavior**

Due to the nature of our field trip to the Bronx Zoo, we feel that a student must be a responsible and trustworthy person. We cannot allow a student who is irresponsible to go on the field trip for fear that he/she could create an unsafe situation for others. For this reason, we have established the following guidelines for each student's behavior in school. Should any student not adhere to these guidelines he/she might not be permitted to go on the trip.

1. All rules and regulations contained in the Gateway Middle School Handbook must be followed.
2. Students who have been suspended either in-school or out-of-school and students who have been truant from school will be reviewed at a conference with teachers and the Assistant Principal prior to the trip. This conference will establish the conditions under which the student may be allowed to participate or the reason why the student will not be allowed to go.
3. Students who have shown a pattern of inappropriate or irresponsible behavior with any staff member, including substitutes and bus drivers, will be reviewed at a conference with teachers and the Assistant Principal prior to the trip. This conference will establish the reasons why the student will not be allowed to participate in the trip or the conditions under which the student may be allowed to participate.
