

**Gateway Regional High School
2007-2008 Daily Living Skills Syllabus
Ms. Shutt**

Course Description

This course is designed to give students in the Developmental Learning Program the opportunity to learn skills necessary for independent living. Students will have the opportunity to practice skills like laundry, cooking, shopping and much more. They will use their reading, writing and math skills and apply them to every day activities for independent living.

Curriculum

The following is a list of topic that this course will cover. Learning about Me, Home Safety, Nutrition, Measuring and mending, Grocery shopping, Good Shopping skills, Telephone skills, Restaurant use, Clothing and Laundry and Budgets.

Materials Needed

Common every day household materials and newspapers, advertisements, and community resources will be utilized in this class. Teacher made worksheets, internet resources, Life Skills Curriculum and other resources will be used.

Class Expectations

Attendance is very important. Your daily participation grade will be affected by poor attendance. So come to school every day and be prepared to work. Bring books, pencils and homework. Complete all assignments including homework. Be positive and allow others to work in a productive atmosphere.

Grading

30% Daily Participation
30% Assignments including homework
20% Projects, tests and quizzes
20% Accountability Rubric
