

Graduation Cap Decorations

Guidelines:

- ❖ No numbers other than the graduation year.
- ❖ No drug, alcohol, tobacco, weapon, or sex references.
- ❖ Nothing offensive. Nothing disrespectful. No profanity.
- ❖ No abbreviations or acronyms.
- ❖ No political protests/movements on your cap.
- ❖ Nothing 3D or hanging off the cap. Make sure it's neat and secure. No excessive glitter, etc... Must only be flat and on top.
- ❖ Ideas: graduation year, college you are attending, life after high school, inspirational quote or message...

Class advisors and administration will be checking the caps before you walk at graduation. You should be prepared not to walk if your cap does not meet the guidelines and isn't approved by administration, so please make sure to be respectful and follow all given guidelines. Decorating your cap is a privilege, not a right!
