Sports Banquet takes on new model

Huntington – When Gateway’s Annual Sports Banquet—sponsored by the Gateway Athletic Booster Club—failed to sell enough tickets to be viable, the club cancelled the banquet and moved the event to the school so that more students could attend.

In recent years, the sports banquet has been held at area venues and sold tickets. The event recognizes all athletes, teams and coaches, awards scholarships to senior athletes, and unveils the annual sports video—a highlight reel of every team, every season.

In its place, the Booster Club is organizing a celebration at Gateway Regional High School from 6 – 9 p.m. on Tuesday, May 29. Families of student athletes are asked to bring a dessert to share. The teams, athletes, coaches and seniors will still be honored, but the event (which is a dessert buffet in the cafeteria) will be free. There will be a 50/50 raffle. And the annual sports video will be shown, as always.
