Schools, offices to close for winter vacation

Huntington – All schools and offices in the Gateway Regional School District will be closed February 19 - 23 for the Winter Break.

The Littleville Wrap-Around Program will be open Tuesday through Friday from 7:00 a.m. to 5:00 p.m., provided enough children pre-register. Parents are reminded to send children with a lunch and two snacks, as the cafeteria will not be open that week. Children should be dressed to go outside. Families who pre-register, but do not attend, will still be charged.

Gateway offices will be closed as part of energy and money-saving efforts throughout the district. Gateway also shuts down its offices and lowers temperatures in the buildings during the holiday vacation week in December.
