School Committee to consider rescheduling half-day

Huntington – At their only scheduled meeting in February, which will take place on Wednesday, Feb. 13 at 7 p.m. in MS rooms 112/114, the School Committee will be asked to approve a half-day for March 19. This half-day would replace the half-day originally scheduled for January 9, which was a snow day. Professional development that is critical to teaching staff maintaining their certification for the coming year had to be postponed. District administrators are proposing that a half-day be added on March 19 to allow staff to complete their required training.

The February 13 meeting will be a joint meeting between town officials and the school committee for budget development. The Superintendent's Evaluation Sub-Committee will meet at 6 p.m. in Dr. Hopson's office on Feb 13.

On Wednesday, March 6 the School Committee will hold its annual Budget Hearing for town officials, parents, staff and community members. This is an opportunity to learn more about next year's budget, have questions answered and offer input before the school committee votes to adopt a budget for the 2019-20 school year.

The public is invited to attend both meetings.
