

## ***Using the Parent Portal***

In order to be setup for the Parent Portal, we must have a valid email address. The login is based off of that email address. If you do not have one, we cannot give access to the portal.

When the Cumulative Record Forms go home at the beginning of each school year, please be sure to correct your email address if it's incorrect.

Once a valid email address is in place you will receive an email in early October that will contain a link to set a password, as well as a link that will take you to the login screen (see below). Depending on which school your student/s is in will depend on which link you get within the email. (If you did not received that email please contact your school secretary)

If you have more than 1 student (example: 1 in MS and 1 in Elementary) you will only need to be setup once with 1 login. Once you login, you will see both schools listed and you can choose which ever school you want depending on which student you want to view (see below).

The links for each school login are as follows:

[www.plusportals.com/GRHS](http://www.plusportals.com/GRHS)

[www.plusportals.com/GRMS](http://www.plusportals.com/GRMS)

[www.plusportals.com/LittlevilleES](http://www.plusportals.com/LittlevilleES)

[www.plusportals.com/ChesterES](http://www.plusportals.com/ChesterES)

The login screen will look like the following:

The screenshot shows the PlusPortals login interface. At the top left is the logo "PlusPortals" and at the top right is the tagline "Your School's Online Connection." Below this is a navigation bar with a "Logout" link. A blue banner below the navigation bar says "Welcome". Underneath is a "Login As" section with two blue buttons. The first button is for "GATEWAY REGIONAL MIDDLE SCHOOL" and the second is for "LITTLEVILLE ELEMENTARY SCHOOL". Both buttons have "(PARENT)" written above the school name and a redacted area above that.
