• Mr. Wyand asked about the middle school roof. It has been an issue for several years, and he had heard it was bad workmanship when it was installed.
• Mr. Wing said the roof was here prior to the building project. We don’t have any problems with the roof.
  The only part is over the middle school office. Part of the problem had to do with roof drains. One has some loose clamps and we can’t access them to tighten the clamps. This is just thinking forward.
• Mr. Wyand asked if the $75,000 was to do the whole roof over.
• Mr. Wing said there should be a one in front of it. It should be $175,000.
• Mr. Damon asked if we are being wise to wait till 2017.

• Mrs. Levreault said if we tie into the town, we will pay a fee for the rest of our life.
