SCHOOL COMMITTEE MEMBER AUTHORITY AND DUTIES

Authority

Because all powers of the School Committee derived from state laws are granted in terms of action as a group, members of the School Committee have authority only when acting as a Committee legally in session.

The School Committee will not be bound in any way by any statement or action on the part of an individual member except when such statement or action is a result of specific instructions of the Committee.

No member of the Committee, by virtue of his/her office, will exercise any administrative responsibility with respect to the schools or command the services of any school employee.

The School Committee will function as a body and all policy decisions and other matters, as required by law, will be settled by an official vote of the Committee sitting in formal session.

Duties

The duties and obligations of the individual Committee member may be enumerated as follows:

1. To become familiar with the General Laws of the Commonwealth relating to education and School Committee operations, regulations of the Massachusetts Board of Education, policies and procedures of this School Committee and school department.

2. To keep abreast of new laws and the latest trends in education.

3. To have a general knowledge of the goals, objectives, and programs of the regional public schools.

4. To work effectively with other Committee members without trying either to dominate the Committee or neglect his/her share of the work.

5. To respect the privileged communication that exists in executive sessions by maintaining strict confidentiality on matters discussed in these sessions, except that which becomes part of the public record, once it has been approved for release.

6. To vote and act in Committee impartially for the good of the students.

7. To accept the will of the majority vote in all cases, and to remember that he/she is one of a team and must abide by, and carry out, all Committee decisions once they are made.

SCHOOL COMMITTEE MEMBER ETHICS
(Massachusetts Association of School Committees Code of Ethics)

Preamble

The acceptance of a code of ethics implies the understanding of the basic organization of school committees under the Laws of the Commonwealth of Massachusetts. The oath of office of a School Committee member binds the individual member to adherence to those state laws which apply to school committees, since school committees are agencies of the state.

This code of ethics delineates three areas of responsibility of School Committee members in addition to that implied above: (1) community responsibility; (2) responsibility to school administration; and (3) relationships to fellow Committee members.

A School Committee member in his/her relations with his/her community should:

1. Realize that his/her primary responsibility is to the children
2. Recognize that his/her basic function is to be policy making and not administrative
3. Remember that he/she is one of a team and must abide by, and carry out, all Committee decisions once they are made
4. Be well informed concerning the duties of a Committee member on both a local and state level
5. Remember that he/she represents the entire community at all times.
6. Accept the office as a Committee member as means of unselfish service with no intent to "play politics," in any sense of the word, or to benefit personally from his/her Committee activities

A School Committee member in his/her relations with his/her school administration should:

1. Endeavor to establish sound, clearly defined policies which will direct and support the administration
2. Recognize and support the administrative chain of command and refuse to act on complaints as an individual outside the administration
3. Give the chief administrator full responsibility for discharging his/her professional duties and hold them responsible for acceptable results
4. Refer all complaints to the administrative staff for solution and only discuss them at Committee meetings if such solutions fail

A School Committee member in his/her relations with his/her fellow Committee members should:

1. Recognize that action at official meetings is binding and that he/she alone cannot bind the Committee outside of such meetings
2. Realize that he/she should not make statements or promises of how he/she will vote on matters that will come before the Committee
3. Uphold the intent of executive sessions and respect the privileged communications that exists in executive sessions.

4. Not withhold pertinent information on school matters or personnel problems, either from members of his/her own Committee or from members of other committees who may be seeking help or information on school problems.

5. Make decisions only after all facts on a question have been presented and discussed.
PUBLIC PARTICIPATION AT SCHOOL COMMITTEE MEETINGS

All regular and special meetings of the School Committee shall be open to the public. Executive sessions will be held only as prescribed by the Statutes of the Commonwealth of Massachusetts.

The School Committee desires citizens of the district to attend its meetings so that they may become better acquainted with the operations and the programs of our local public schools. In addition, the Committee would like the opportunity to hear the wishes and ideas of the public.

In order that all citizens who wish to be heard before the Committee have a chance and to insure the ability of the Committee to conduct the district's business in an orderly manner, the following rules and procedures are adopted:

1. At the start of each regularly scheduled School Committee meeting, individuals or group representatives will be invited to address the Committee. The length of the public participation segment shall be determined by the chairperson.

2. Speakers will be allowed three (3) minutes to present their material. The presiding chairperson may permit extension of this time limit.

3. Topics for discussion may be limited to those items listed on the School Committee meeting agenda for that evening.

4. Improper conduct and remarks will not be allowed. Defamatory or abusive remarks are always out of order. If a speaker persists in improper conduct or remarks, the chairperson may terminate that individual's privilege of address.

5. All remarks will be addressed through the chairperson of the meeting.

6. Speakers may offer such objective criticisms of the school operations and programs as concern them, but in public session the Committee will not hear personal complaints of school personnel nor against any member of the school community. Under most circumstances, administrative channels are the proper means for disposition of legitimate complaints involving staff members.

7. Written comments longer than three (3) minutes may be presented to the Committee before or after the meeting for the Committee members review and consideration at an appropriate time.
