A Few Winter Reminders:

- Littleville Elementary School goes outside for recess if the temperature is 16 degrees or above. Please be aware of this and dress your child(ren) appropriately. If they want to play in the snow, they MUST have boots, ski pants, jacket, gloves or mittens. Otherwise, they are only allowed to play on the black top area during recess.
- Since we live in New England, and the weather changes quite frequently, sometimes we have melting that is happening and students can get a bit wet. It would be advisable to have your child(ren) pack an extra pair of clothes to keep at school in case he/she gets wet. It will give them something to change into.
- **On 2-hour delays** the school **DOES NOT** serve breakfast. Please make sure your child(ren) eat breakfast **BEFORE** arriving at school on these days.
- Do not drop your children off before 8:40 in the morning. Staff is not on duty until then. If you drop your child off before that they will be sent to Wrap Around where you will incur a charge.
- Parking: We are aware that the parking lot here is small but please obey the signs in the parking lot area. Do not park in the reserved spots. You can park in the visitor parking spots or any open parking spaces. Parking along the curbing is allowed except during the following times: 8:30-9:00 and 2:45-3:30.
- When waiting for the bus please leave sufficient room between where the children are standing and the roadway and wait for the bus to come to a complete stop before moving towards the bus.
- Keep up-to-date on upcoming events by going to our web page. Go to [www.grsd.org](http://www.grsd.org) and in the top left corner click on Littleville from the drop down menu. You can access lunch calendars, upcoming events and the school schedule. Check it out!
