Attention All Parents

Littleville is getting ready for kindergarten screening and are updating our list of children who will be 5 on or before September 1, 2020. If you have a child that will be entering kindergarten in September 2020, please fill out the bottom portion of this and return it in the red folder to make sure you are on our mailing list. Screenings will take place on Friday, May 8 between 8-11. You will be receiving a packet in mid-April with directions on how to schedule your child’s screening. Current kindergarten students will not be attending school on that day. If you have any questions, please call the office at 685-1300.

Please feel free to share this with anyone you may know, who currently is not enrolled in our school.
