Littleville Elementary School
After School Mini-Courses

We are excited to offer afterschool mini-courses throughout the year to give your child an opportunity to learn some new skills! These mini courses are being offered to the students for free. Each course is two days a week on Mondays, Wednesdays, or Thursdays from 3:30-4:30pm. The first set of courses will begin on September 30th and end November 14th depending on which days the mini course is held on. The classes are limited in size, and we will take students on a first come, first serve basis. Students that get into a mini-course will be called. If you do not receive a phone call or email, please do not send your child. If your child does not get into a mini-course this session, please keep in mind that we will have other offerings throughout the year.

This is an opportunity for learning. Students will be expected to follow the instructions, and obey the rules of the activities. If a student is unwilling to do so, they may be asked to sit out of an activity or be asked not to attend anymore.

Unfortunately, we do not have transportation for this program. You will need to pick your child up at 4:30pm on each of these session days. Children not picked-up on time will be placed in the Wrap-Around program, and parents will be billed for the amount of time their child utilizes Wrap Around.

Questions regarding the mini-courses may be directed to the principal, Megan Coburn.

***Please fill out the registration form and submit to the office by Wednesday, September 18th.
