Frequently Asked Questions

1. What is Grandparent & Grandfriend Day about?

Littletville recognizes that there is a unique bond between children and their grandparents and grandfriends. Children want to share the things that are important to them, and this day gives children a chance to share Littletville with their grandparents and grandfriends.

2. What if my child doesn’t have a grandparent who is able to attend?

Many children will not have a grandparent who is able to attend. Teachers work with their students in advance so that each child can look forward to sharing the day with our visitors. Some children may choose to invite a grandfriend, but it is not necessary for a child to have a guest to fully participate in the day—our teachers structure activities that encourage participation among all students and guests. Grandguests are shared with the entire class. We ask that parents respect the generational difference of Grandparent and Grandfriend Day and do not substitute themselves in the event that a grandguest cannot attend.

3. How can parents help?

Parents can help us greatly by making sure that our guests receive the information provided on this sheet. The administration, staff, and students work very hard to make this a comfortable and welcoming day for grandguests. We also need parents’ help in encouraging grandguests to let us know that they plan to attend so that we can prepare nametags, organize a schedule and have enough supplies for all to be able to participate. An unexpected guest may feel less welcomed when there is no nametag made for them.
