~REMINDER~

Hilltown Community Health Centers School Based Optometry program still has some eye care appointments available for this year.

Kim Krusell our School-Based Optometrist is here every Friday from 8:30-1:00pm for all your child’s eye care needs.

If you would like your child seen at school, please give us a call for an appointment and we will send home the necessary paperwork to sign your child up. If your child is already a patient at the SBHC, but has not signed up for eye care, that’s ok too just let us know!

If you have any questions regarding this program you can email them to kcooper@hchcweb.org or call us directly at (413) 667-0142.
HCHC is an equal opportunity provider.
