Chester, Littleville Open Houses coming up

Huntington – Open Houses for Littleville and Chester Elementary Schools are coming up!

Chester Elementary School will have their Open House on Monday, September 25. Littleville’s Open House will be the following evening (Tuesday, September 26). Both Open Houses are scheduled from 6 – 7 p.m.

Open Houses provide an opportunity for families/guardians to tour their child’s school, briefly meet their child’s teacher and learn more about school councils, PTOs and other volunteer opportunities.

Community organizations will also be on hand to share information with families.

Please look for, and support PTO fundraisers, along with a 50/50 raffle for the Gateway Education Foundation at each Open House.

A number of community groups and partner agencies—such as the School-Based Health Center, Gator Grins, Southern Hilltowns Domestic Violence Task Force, local scouting groups—are also on hand at the Open Houses. Please check their tables for valuable information about these programs in your schools and community.
